

GOVESU SITEMAP

Color Representation

BLUE: Homepage

ORANGE: Navigation Panel

GREY: Main Sub-categories of Navigational Panel

YELLOW: Sub-categories of Main Sub-categories

Clients Comments

Under “about us”:

- Client wanted to get rid of the grey subcategories of “why we are called GOVESU”, “Concept”, and “Values and Goals” and wanted to combine all of those subcategories under one called “We are GOVESU”.
- Under subcategory “Values and Goals” just deal with the Values because the goals would be dealt with under Navigational Panel “Why GOVESU”.

Under “Veterans Cafe”

- Client wants another Main Sub-Category, above “Activities and Openings Time”, called ex. Concept/Functionality, which describes how the cafe is different from other cafes. This cafe would not be targeted and used by anyone. Instead it would be utilized by veterans, their family members, and supporters as well as individuals who work for a veterans support group. Additionally, this main-subcategory while explain what services would be offered to veterans, their members, and interested supporters.

Under “Products”

- Clients wants to get rid of the Main Sub-Category of “T-Shirts” and replace that with “Accessories”.

- Under that new “Assessories” Main Sub-Category the client wanted the sub-categories of: T-shirts, caps, jackets, sweat shirts
- Under “Braclets” Main Sub-Category, client wanted it to be changes to Handmade Braclets
